ABOUT ME

</> Hi! my name is laura Peláez and i'm a Colombian Front-end jr developer, nice to meet you!.

Me?
In only six months I was able to learn and apply all the basics to become a Front End Developer, discovering an unknown passion for code. The web is my canvas now, and I love how HTML, CSS and Javascript interact to created something amazing.

WORK EXPERIENCE

2017
Present

</> Front End Student
At Laboratoria

Santiago, Chile

The Laboratoria coding boot camp is my latest work, education-al endeavor. I took the Front End Web Development course.
Six intense months of learning and creating responsive and dynamic websites with the latest front end technologies always using Agile methodologies.

Laboratoria is a social enterprise that empowers women by giving them access to education and work in the digital sector.

WORK EXPERIENCE

2014
2016

</> Microbiology

Santiago, Chile

Experienced Medical Technologist, with excellent clinical Laboratory skills, commended performance conducting/analyzing laboratory assays and resolving complex clinical and instru-ments problems.
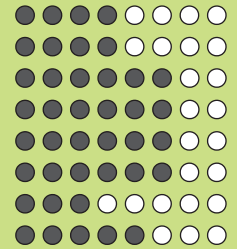

WHY ME?

I am a hard working, honest individual, friendly, helpful, polite, and have a good sense of humour. Also I´m a punctual and motivated individual, able to take instructions from all levels and build up good working relationships with all colleagues.

I am flexible, reliable and possess excellent time keeping. skills.
